Digital Prescription

No more unnecessary stress for forgetting to carry your medical document with at all times. It can easily be pulled up on your phone.

Why Doctors love us

Efficient use of time

Hassle free scheduling lets patients book time, relieving the health care professional of the admin work and allowing time for more patients

Easier prescription refill

No need for the patient to come in to get a refill for their prescription, saving time for doctors and patients

Improving Accessibility

Health care professionals on our network are part of destigmatizing medical cannabis and making it more accessible to patients

Yearly Banquets

Health care professionals on our network are invited to yearly banquets to educate them on the benefits of medical cannabis.

Why Suppliers partner with us

Certified Suppliers

Being part of a network of other licensed suppliers gives them a verification seal and builds trust with patients

Hassle Free

Reduced wait times in stores as health care makes it's way online

Privacy Protection

Patients are given more privacy and the convenience of staying home as their medical cannabis makes it's way to them, driving more sales

Why the Community loves us

Educational Programs

10% of our revenue goes towards educating youth to help them make informed decisions about Cannabis consumption

Safe and Legal Distribution

By making it easier for patients to get their medical cannabis, we're promoting legal consumption by people in the community
